The Arc of Riverside County Honors People with Disabilities at Annual Banquet

Riverside, CA – The Arc of Riverside County, a nonprofit agency that provides supports and services for adults with intellectual and other developmental disabilities, hosted its 43rd annual awards and installation dinner at the Marriott in Riverside. The event took place on Friday, June 25.

The annual event gives The Arc an opportunity to publically thank supporters – including financial, in-kind and moral supporters -- with awards and other accolades. One such supporter of this year’s event is Riverside Public Utilities, who contributed \$2,500 to help The Arc cover the cost of the event. The individuals served by the organization thoroughly enjoy the yearly event as it provides them a night of dining with friends, chances to win raffle prizes, and dancing.

“This event helps us celebrate the inherent value of each person with a disability,” said The Arc Executive Director Jim Stream. “Here at The Arc, we call that ‘the value of one.’”

The Arc’s *The Value of One* campaign began in 2008 as a way of promoting the idea that every individual has inherent value and deserves respect. More information about The Value of One campaign can be found at thevalueofone.org. While there, visitors can view inspiring videos, donate to the campaign, and sign The Value of One petition.

The Arc Riverside County, a non-profit organization that provides supports and services for more than 300 adults with developmental disabilities, is headquartered in Riverside at 8138 Mar Vista Court. For more information about The Arc, go to arcriderside.org.
