The Arc of Riverside County hosts its Annual Banquet at Riverside Marriott

Riverside, CA – The Arc of Riverside County, a nonprofit agency that provides supports and services for adults with intellectual and other developmental disabilities, will host its 42nd annual awards and installation dinner at the Marriott in Riverside. The event takes place on Friday, June 26th beginning at 6 p.m.

The event gives The Arc an opportunity to publically thank supporters – including financial, in-kind and moral supporters -- with awards and other accolades. The individuals served by the organization thoroughly enjoy the yearly event as it provides them a night of dining with friends, chances to winner raffle prizes, and dancing.

“This event is a big deal around here,” said The Arc Executive Director Jim Stream. “Everyone gets dressed up and just enjoys themselves. Plus the fact that this year’s banquet is at the Riverside Marriott makes it all the more special and elegant.”

This year’s banquet will also give The Arc of Riverside County the opportunity to share with attendees the organization’s campaign on dignity and respect for people with intellectual disabilities. The campaign, called The Value of One, began last year as a way of promoting the idea that every individual has inherent value and deserves respect. More information about The Value of One campaign can be found at TheValueofOne.org; while there, visitors can view inspiring videos, donate to the campaign, and sign The Value of One petition.

The Arc Riverside County, a non-profit organization that provides supports and services for more than 300 adults with developmental disabilities, is headquartered in Riverside at 8138 Mar Vista Court. For more information about The Arc, go to ArcRiverside.org.
